

RODENT EXCLUSION

PACKAGE

\$259.00

(Mice or Rats)

Offer Details: RPC & Services LLC, A highly service provider is offering their Rodent Exclusion Package for **ONLY \$259.00**

This service includes: Technicians who will come to your home, locate and seal assessable mice or rat holes (holes that the rodents are using to enter your property) using steel wool, cement, or wood. These entry holes are usually on the basement level or the first floor of the property. We may also close holes in the kitchen as well.

Then we will install interior monitoring and baiting system.

For exterior rat issues, we will dust burrows and install bait stations.

Any household outside 25 miles from RPC & Services location will be subjected to additional travel charges of \$25.00 (50 mile maximum).

Heavy rodent infestations may require additional monthly services.

Homes over 2500 sq ft will result in additional cost.

The fine print: Not valid for cash back. Appointments are performed during normal business hours. Coupon cannot be combined with other specials or offers. Coupon is for residential service only. Upon request your technician can perform an inspection of your home to advise you if there are any other repairs that may be needed to ensure you have a pest free home. Deal does not cover wildlife such as squirrels or groundhogs.
